THE INSPIRATION

From the 'streets of life' in the modern city of 'Barcelona'

Every great idea is born out of inspiration such as people, objects, places and even situations. Travel, today has become one of the biggest sources of inspiration and some cities strike a spark more than others just like the city of Barcelona. A prized city with world heritage sites, Barcelona has brought in a radical new strategy to give life back to the streets - Superblocks. Just closing a few urban blocks in the city to cars can release an amazing amount of quality space and clean air. Taking the inspiration from Barcelona, JP Infra is launching North Barcelona - a place where you can experience open living.

INTRODUCING NORTH BARCELONA

A PLACE WHERE YOU CAN EMBRACE LIFESTYLE, FREE FROM THE HUSTLE AND BUSTLE OF URBAN LIFE

North Barcelona invites its residents to experience open living & peaceful lifestyle. A place where open spaces are abound and amenities allow communities to interact in new ways. Spread across multiple zones, there are an abundance of engagement points to ensure that one is spending more time outside of the four walls of the apartment.

This rendered image is prepared by the architect based on current planning. Final color and specification may vary.

A MODERN LIFESTYLE COMES TO MIRA ROAD

It's a new paradigm of open living in Mira Road, that thrives in lush open spaces and makes life a process of growth and evolution. Presenting North Barcelona, an innovative concept never seen before in the real estate of Mumbai. A marvel where humans are prioritized over cars. This project offers a sense of liberation from the constraints of space and offers serenity and security to you and your loved ones. Avail this opportunity of owning an apartment in this iconic and one of its kind project.

A MARVEL CALLED MIRA ROAD

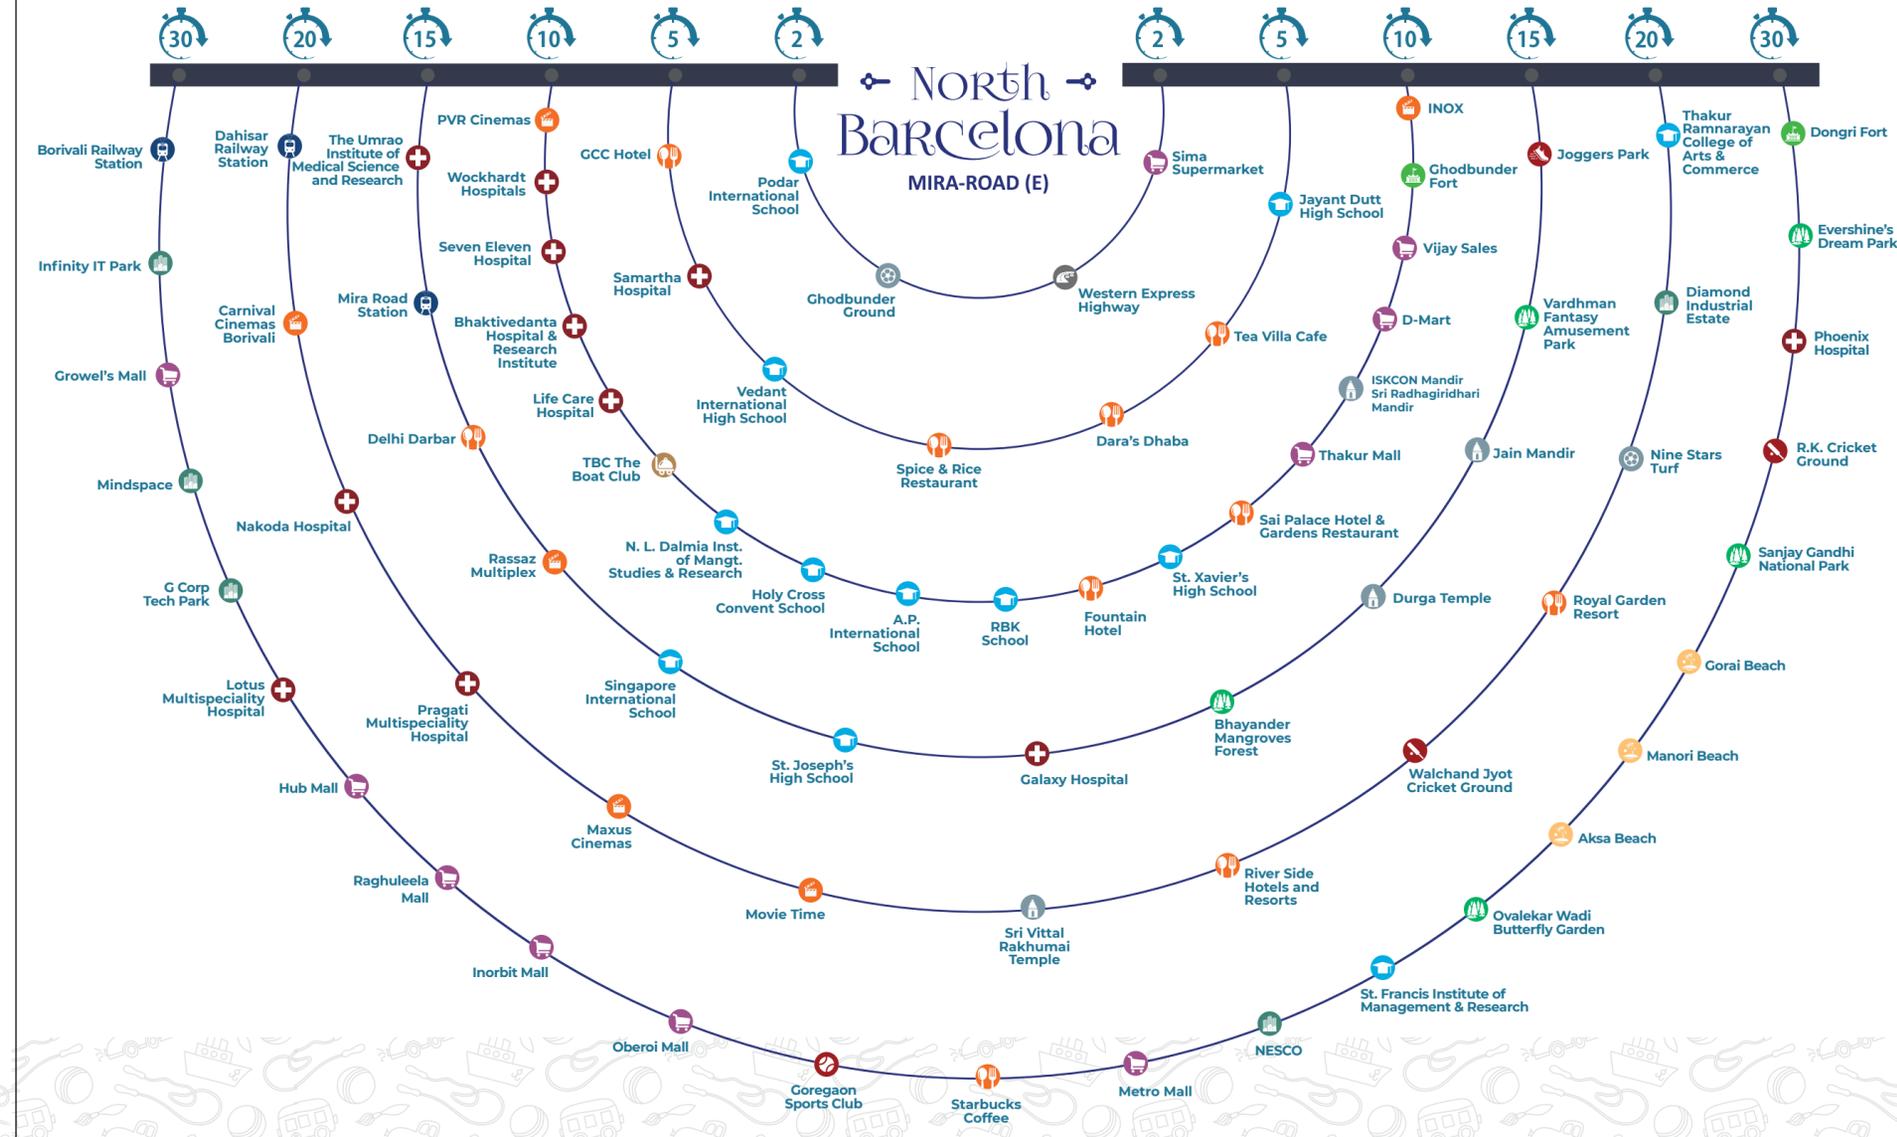

TOP REASONS TO INVEST IN MIRA ROAD:

- Amongst the top preferred destinations for new residential buyers
- A combination of large, green open spaces and seamless connectivity
- Proposed metro lines along the Thane-Bhiwandi-Kalyan (Metro-5) and the Dahisar-Mira Bhayander (Metro-9) corridors
- The 10.3 kms elevated Dahisar-Mira Bhayander corridor (Metro-9) comprising of eight stations to be completed by 2022*
- Fast improving transport links also make it an attractive destination for businesses and leisure
